

8am-8pm  
April  
14-17, 2023

Greg Mack is one of the most transformational figures in Radio! Known mostly for creating what is today called the “Rhythmic” Format, a format heard all across the world, Greg has also helped launch some of the biggest names in Music. Greg is heard via his Syndicated Radio Show, “The Greg Mack Show”, heard in many cities across the U.S. and overseas. Lovingly referred to as the Godfather of Hip-Hop radio, Greg can be heard on local radio in SoCal.

Jammin’ Jimmy Olson started his radio career in 1988 in Houston and charity work helping children in need since 1999, when he started his Ton of Toys Toy Drive in Houston, TX. Since then, Jimmy has been all over the country in several markets on the radio, including SoCal, and continuing his passion of helping Children in Need. **In Texas November 2019 Jimmy was inducted into the Radio Hall of Fame. In December 2022 Jimmy was Awarded the Presidential Lifetime Achievement Award for his Philanthropic work helping Children in Need.**

Greg & Jimmy will be helping Children, Seniors, and Veterans in need in Bakersfield, who are food insecure, with the food they need to survive. We are also collecting non-perishable food, diapers, baby wipes, cleaning supplies, and toiletry items.

Due to the Pandemic **1 in 2 children and 1 in 3 adults (mostly Seniors and Our Veterans)** are Food Deprived right here in the Bakersfield area.

We are needing assistance to pay for this massive undertaking as Jimmy & Greg will be in the parking lot of **WALMART 5075 Gosford RD, Bakersfield, CA.**, for at least 4 days, 8 am-8 pm, until we reach our goal of at least 10,000 pounds of non-perishable food, to benefit the **CAPK Community Action Partnership of Kern.** We would love to pass out your brochures and or coupons to those making donations of food to show your business' support for those in our community in need.

We would appreciate your support in this endeavor as it is, unfortunately an urgent need to help those children who are in this situation to no fault of their own.
